#20164 F28 Formula RC RTR

ELECTRIC ▪ ON ROAD ▪ 1:28 SCALE ▪ 2 WHEEL DRIVE ▪ RTR

Team Associated's F28 1:28 scale 2WD electric may be small in size, but it's packed full of features and ready for fun right out of the box. The F28 is a no-nonsense pint-sized Formula style car that looks great and drives smooth thanks to a powerful electric motor and capable drivetrain.

No need to prep or build your racer; just charge it and you're ready to drive! The included 2.4GHz transmitter allows complete control, enabling you to navigate around, through and over obstacles with ease! With race-inspired wheels and body make for a great-looking package that will also perform well on the staggered size foam tires.

When the F28's integrated LiPo battery becomes discharged, the convenient built-in transmitter charger makes it easy to get back to full power and ready to run in less than an hour. A built-in rechargeable LiPo battery and 4 AAs are included, making the vehicle ready to go right out of the box!
