### Limited Release **RC10.com Only**

For a limited time, Team Associated is re-releasing it's popular ProRally RTR!

The ProRally 4WD RTR is a factory assembled AWD (all-wheel-drive) RC car that features a Reedy brushless 550-SL motor, XP water resistant speed control, and high-current T-Plug Connectors. The XP 2.4GHz radio system is fully adjustable and provides reliable long distance control.

The front and rear sealed gear differentials are connected together with a tough aluminum drive shaft, an adjustable center slipper clutch handles all of the Reedy brushless power.

The bumps are managed by four fluid-filled, adjustable, coil-over shocks and aggressive, all-terrain racing tires mounted on rally-inspired hex drive wheels. All of this comes topped off with your choice of two custom-finished Rockstar ProRally detailed bodies.

The ProRally 4WD RTR LiPo Combo includes the high performance standard features of the ProRally, plus a Reedy 423-S 35W Compact Balance Charger and Reedy WolfPack LiPo 3300mAh 30C 7.4V Battery are also included!

The ProRally RTR lets you experience the thrills of 4WD rally racing on a variety of surfaces. From dirt to asphalt, brick and grass, the ProRally's suspension comes tuned to make the most of any surface you drive it on.
