

## NEW! #20112 Rival 1:18 4WD Monster Truck RTR

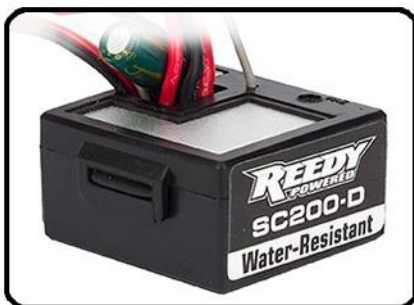

### 1:18 Scale Ready-To-Run 4WD Electric Monster Truck

Just like its cousins the Reflex 1:18 and Apex 1:18, the Rival monster truck comes complete with a transmitter, motor, battery, and charger. All you'll need to do is charge the included battery pack, add four AA batteries, and you are ready to go!

The Rival 1:18 features chrome wheels with aggressive, terrain-defying monster truck tires and an inline-mounted "Super 370" high-performance motor.

#### High-performance electronics package:

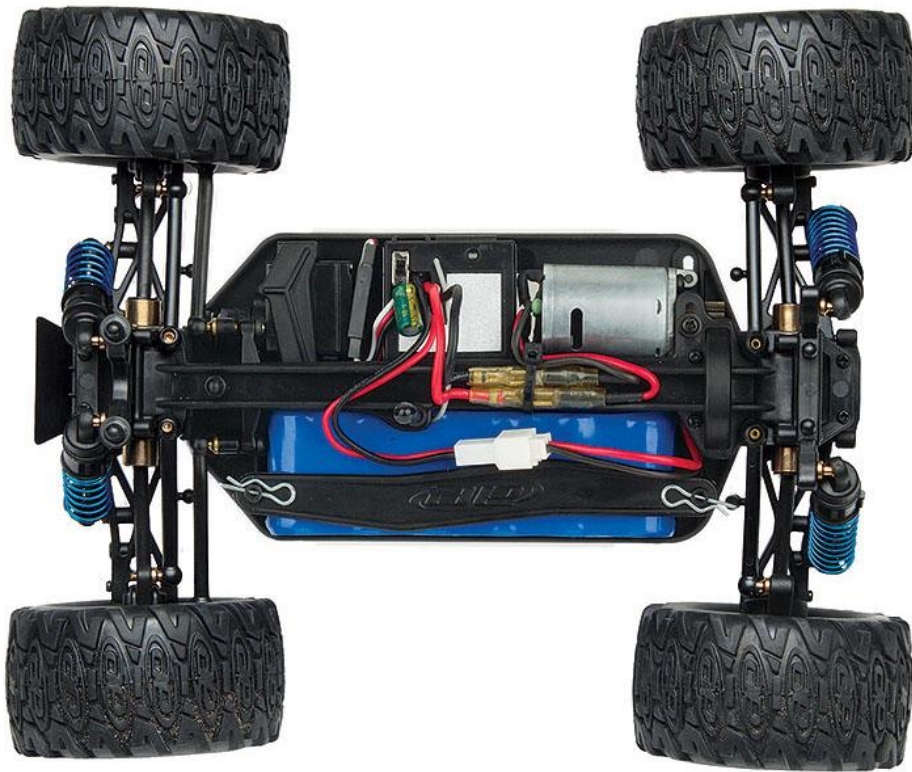

Reedy Powered all-in-one water-resistant speed control + receiver

Reedy Powered servo

Transmitter, battery and wall charger

### Features:

- The Rival 1:18 transfers all the power to the ground with its efficient, shaft-driven, 4WD powertrain featuring adjustable ball differentials front and rear.
- The Rival 1:18 suspension absorbs all of the bumps and jumps of the dirt with fluid-filled shocks for smooth and consistent dampening.
- The four lower suspension arms are symmetrical and work with the molded upper suspension links to ensure that the Rival 1:18's suspension geometry is optimized from the start.
- Team Associated's XP radio and Reedy Powered series electronics installed in the Rival 1:18 are compact and easy to use while providing high performance. A 10-hour wall charger is included.
- Two Rival color body designs to choose from, White or Red, with sleek graphics applied.
- Large monster truck tires help get the Rival over the toughest obstacles.
