With over 100 years' experience and prowess, General Tire GT® has been manufacturing quality products and continues to perfect its process. They are a proud supporter of the Automobile Racing Club of America (ARCA). With General Tire GT® and Team Associated's combined knowledge and experience, this makes the SC28 GT a true joy to drive and maneuver. So grab a friend and create your own Short Course Truck Racing Series. Rip around the corners, fly over the jumps and speed across the finish line! Will you make it into the winner's circle?

No need to prep or build your racer--just charge it and you're ready to drive! The included 2.4GHz transmitter allows complete control, enabling you to navigate around, through and over obstacles with ease! A built-in rechargeable LiPo battery and 4 AAs are included, making the truck ready to go right out of the box!
