Dirt Oval Racing

The Street Stock Dirt Oval Ready-to-Run SR10M puts you in control of all the adrenaline-pumping excitement of dirt, clay, and pavement racing in 1:10 scale. Despite sometimes flying under the radar in mainstream racing circles, dirt track racing stands as one of the most thrilling spectacles in motorsports. Set against the backdrop of oval tracks covered in dirt or clay, these competitions offer an electrifying showcase of tire-scorching action. With countless venues spread across the United States, enthusiasts and fans alike flock to these weekly gatherings year-round, drawn by the irresistible allure of high-speed showdowns and heart-stopping finishes. Whether you're behind the wheel or cheering from the stands, Street Stock Dirt Oval Racing promises an unforgettable experience where passion meets performance at every turn.

The SR10M Dirt Oval Race Car represents years of championship-winning design, drawing inspiration from the lineage of the 9-time ROAR Short Course National Championship trucks. At its heart lies a 3300kV brushless motor and a water-resistant high-power Reedy brushless speed control. Commanding control is assured through the included 2.4GHz 2-channel radio system. A high-torque digital metal gear servo and a water-resistant enclosed receiver box, ensure reliability even in the most demanding conditions. Wrapped in a striking factory-finished body, the SR10M exudes both style and substance. Traction is optimized with the high-grip street stock-inspired treaded tires and lightweight wheels, ensuring maximum grip and agility through every corner. Unleash the full potential of your racing prowess with the SR10M Dirt Oval Race Car, where performance meets perfection.

The **#70033C LiPo Combo** has the added benefit of a Reedy Compact Balance Charger and Reedy LiPo battery pack included!

HIGHLIGHTS

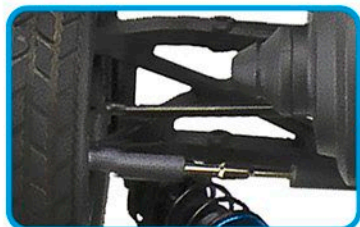

SR10M

High-grip tires with street stock-inspired tread pattern

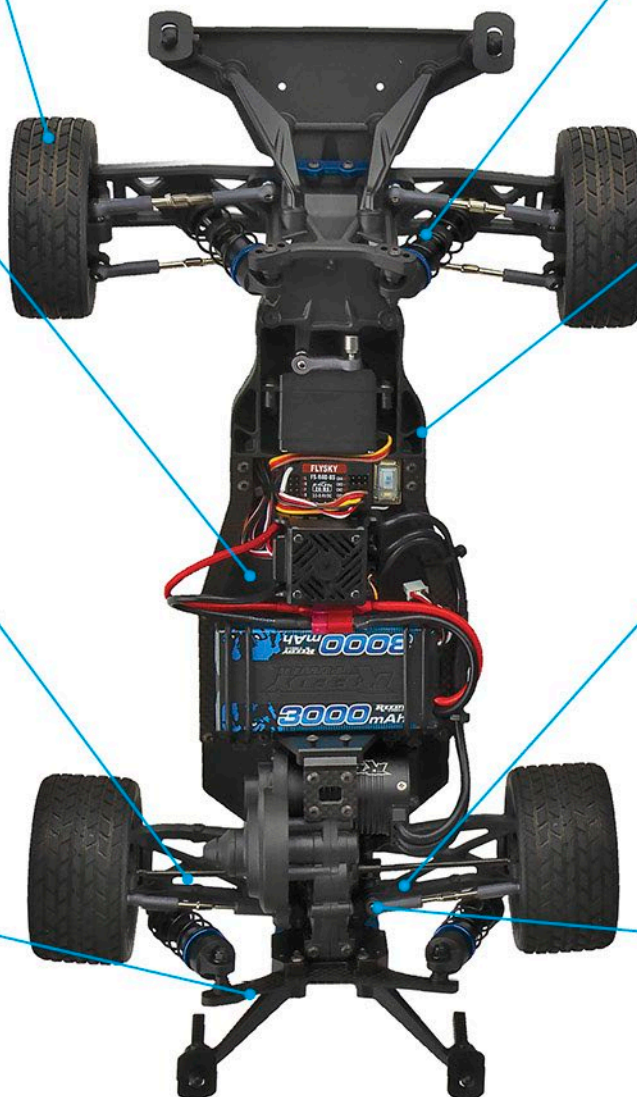

New mid-motor low center of gravity G10 fiberglass chassis

Rear CVA drive shafts for more reliability

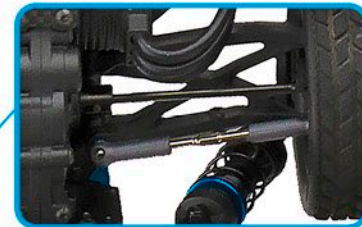

Updated mid-motor rear carbon fiber shock tower for oval

Adjustable suspension geometry with aluminum 12mm coil-over shock absorbers

New carbon fiber chassis side braces

Updated rear toe block for dirt oval racing

Vertical ball ends for roll center adjustments, front and rear

Due to ongoing R&D, photos may not match final kit. Vehicle shown on these pages equipped with items NOT included in #70033: Reedy battery.

MORE FEATURES

- 2.4GHz 4-channel radio with digital frequency hopping system
- High-torque digital metal gear servo
- Powerful Reedy 3300kV brushless motor
- Water-resistant high-power Reedy brushless speed control with T-plug connector and LiPo low voltage cutoff
- Factory-finished Street Stock body with integrated rear spoiler
- Lightweight Street Stock-inspired wheels
- High-grip tires with Street Stock-inspired tread pattern
- Impact-absorbing front bumper
- Aluminum 12mm coil-over shock absorbers
- Durable and lightweight aluminum top shaft
- New mid-motor low center-of-gravity G10 fiberglass chassis with updated O-Ring battery straps that accommodate 2S LiPo battery packs
- Updated mid-motor rear carbon fiber shock tower
- New carbon fiber chassis side braces
- Updated rear toe block for Dirt Oval racing
- Adjustable body mounts
- Rear CVA drive shafts for more reliability
- 2.6:1 ratio gearbox with heavy-duty sealed gear differential and externally adjustable slipper clutch
- Rugged steel turnbuckles for adjustable camber and front toe-in
- Adjustable suspension geometry
- Vertical ball ends for roll center adjustments, front and rear
- Many Factory Team options already available!
- Metric hardware throughout
- 24 precision rubber-sealed ball bearings

SPECIFICATIONS

Scale	1:10
Power	Electric
Length	536.4mm (21.1")
Width	250mm (9.8")
Weight	Varies
Wheelbase	277.8mm (10.94")
Transmission Ratio	2.6:1

ITEMS NEEDED TO COMPLETE

- **#70033, 70033C:** 4x AA batteries
- **#70033:** 7.4V-7.6V 2S LiPo with "shorty" battery dimensions (standard or low-profile height)
- **#70033:** Battery charger (for battery mentioned above)
- **#70033, 70033C:** Other helpful items: Silicone Shock Fluid. Silicone Diff Fluid. Body Scissors (#1737). Reamer (#1499) / Hole Punch. FT Wrench Set (#1519). Hobby Knife. Needle Nose Pliers. Wire Cutters. Soldering Iron. Calipers or a Precision Ruler.
