

# GET IN THE DRIVER'S SEAT

Take your FPV experience to the next level!

## DSV SYSTEM

STRAP IN AND ENJOY THE RIDE!

Take your rc experience to the next level with the XP Digital DSV (Driver's Seat View) System. A simple plug and play design allows for easy installation into most hobby grade RC cars and trucks. Full color, real-time display headset paired with a full HD camera put you right into the driver's seat of your favorite rc cars and trucks.
