

## #6997 Team Associated Reference Library DVD Available on RC10.com!

### Features

- Combines all earlier Reference Library CDs into one DVD disc. No more swapping discs.
- Easy point-and-click button interface.
- 600+ PDF documents on DVD.
- Includes documents for vehicle manuals, XP and Factory Team products, Reedy products, nitro products, spare parts, drawings, catalogs, and more!
- Search feature finds terms quickly.

### Advantages

- For quick access when Internet connection to our manuals is inadequate.
- Match customer's kit parts request to the correct catalog information by its catalog drawing or part number.
- Improve customer support with assembly questions over the phone through the instruction manuals on disc.
- Get a copy of an old vehicle manual that Associated no longer provides in paper form.
