## New! WolfPack LiPo 5400mAh 35C 2S 7.4V with T-plug

Back by popular demand! Reedy's WolfPack 5400mAh 35C 2S is the ideal upgrade for your favorite single or dual battery RC car or truck. High capacity and a generous C-rating means more power, more speed, and more FUN! Wires exit the case through a rubber gasket that protects the wire's insulation while helping to prevent moisture from entering the case. High quality cell manufacturing and construction techniques result in reliable operation and maximum cycle-life.

Reedy's WolfPack LiPo batteries come equipped with beefy silicone wires and a reliable, low-resistance T-plug connector. An integrated balance lead with XH connector is included.

LiPo battery technology continues to progress and Reedy is proud to bring improved performance to the masses.

### Features

- High capacity for extended run times
- Generous discharge rating increases power and speed
- Durable hard case for increased crash protection
- Reliable operation and maximum cycle-life
- Low-resistance T-plug connector
- Rubber gasket wire protection
- Value priced

### Specifications
