

For Immediate Release: February 11, 2019

New! Reedy Zappers SG2 Competition HV-LiPo 4S Batteries

All-new Reedy Zappers SG2 HV-LiPo 4S batteries are in stock and ready to ship! Zappers SG2 batteries continue to utilize silicon-graphene construction but with an emphasis on reducing internal resistance and increasing cycle life. More power, improved durability, and high capacity provide world-class performance to make Zappers SG2 the ultimate choice 1:8 buggy and truggy racers.

Zappers SG2 batteries feature HV chemistry, which means that with a suitable charger, the battery can be safely charged to 4.35V/cell. It is not a secret that more voltage equals more power, so there is no easier way to achieve a performance advantage than a higher charge voltage! However, even when the typical 4.2V/cell charging limit is enforced, Zappers SG2 batteries still offer a significant advantage thanks to a flatter discharge curve, which results in more voltage deeper into the race.

Zappers SG2 batteries are available in two versions -- low-profile for improved handling and high-capacity for conditions that require maximum run time. A high-quality durable hard case helps prevent damage while embedded socket connectors keep power-robbing resistance to a minimum. Male ESC connectors and a 4S balance lead are included.

LiPo battery technology continues to progress and Reedy is proud to bring improved performance to the masses.

Features

- Silicon Graphene HV-LiPo chemistry
- Reduced IR with higher average voltage
- Maximum durability and cycle life
- Durable hard case with low-resistance connectors
- Built to ROAR/EFRA/BRCA/IFMAR specifications

Specifications

Model Number	27341	27342
Capacity	5200mAh	6400mAh
Voltage	15.2V (4S)	15.2V (4S)
Dimensions (mm)	138 x 46.8 x 38.2	138 x 46.8 x 47.5
Max. Charge Rate	10.4A	12.8A
Discharge Current	110C	110C
Weight (g)	472	542
Socket	5mm	5mm

UPC: 784695 273412	#27341	Reedy Zappers SG2 5200mAh 110C 15.2V LCG	MSRP: \$244.99	Web: \$158.99	BUY NOW!
784695 273429	#27342	Reedy Zappers SG2 6400mAh 110C 15.2V High-Capacity	\$263.99	\$169.99	BUY NOW!
