DLR

**NEW!**  **Charger and Radio Utility Bags**  
Available on [RC10.COM](http://RC10.COM)

#97009 FT Charger Bag, 300x200x90mm\*

#97010 FT Radio Bag, 280x200x140mm\*

The **Factory Team Charger Bag** includes enough room for most chargers with ample space for charge leads and power cords. Useful pockets and enclosures hold a variety of items including tools and small parts. A moveable divider allows for a variety of internal configurations. This bag is also suitable for small-scale vehicles and other RC gear.

Our **Factory Team Radio Bag** is roomy enough for your radio and radio accessories such as batteries and chargers. It includes a moveable divider to customize the bag for a tight fit for a variety of radios. A detachable adjustable shoulder strap is included.

#### Features

- Cases are zippered, black durable fabric, with red Factory Team logo on the opening flaps.
- Bags have sturdy carrying handles.
- Factory Team Charger Bag is 11.8 x 7.9 x 3.5".
- Factory Team Radio Bag is 11.0 x 7.9 x 5.5".
