

For Immediate Release: February 28, 2019

New! Wolfpack Shorty LiPo Batteries with T-plug

Reedy's Wolfpack LiPo batteries are now available in hard-case 3000mAh 2S and 3S shorty versions!

This unique battery is perfectly suited for Trail Trucks, Crawlers, and a variety of vehicle types that utilize a shorty battery configuration. Wires exit the case through a rubber gasket, which protects the wire's insulation while helping to prevent moisture from entering the case. High quality cell manufacturing and construction techniques result in reliable operation and maximum cycle life.

Reedy's Wolfpack LiPo batteries come equipped with beefy silicone wires and a reliable, low-resistance T-plug connector. An integrated balance lead with XH connector is included.

LiPo battery technology continues to progress and Reedy is proud to bring improved performance to the masses.

Features

- Versatile shorty configuration
- High capacity for extended run times
- Generous discharge rating increases power and speed
- Durable hard case for increased crash protection
- Reliable operation and maximum cycle life
- Low-resistance T-plug connector
- Rubber gasket wire protection
- Value priced
