 For Immediate Release: April 20, 2017

NEW! **FACTORY Team** Graphite ESC Plate and Rear Hub Inserts

This #91754 ESC plate is a Factory Team lightweight option that provides for easy installation and removal of electronics for chassis cleanup.

Features

- Made from high quality 1.5mm woven graphite laminate
- Blue anodized nut inserts
- Weighs only 7.5g
- Fits RC10B6 and B6D

Replace your stock rear hub inserts for the new #91699 Factory Team inserts for stronger rear hubs. These anodized 7075 aluminum parts will keep the ball studs in place more securely.

Features

- Strengthens stock 6-series rear hubs, preventing ball stud from twisting in the hub
- Direct replacement for stock inserts
- Made from 7075 aluminum
- Anodized in Factory Team blue
- Allows for both high and low ball stud heights
- Fits B6, B6D, B64, B64D vehicles
