

For Immediate Release: April 30, 2018

NEW! **FACTORY Team** Steering Parts for the B64 Series

#92104 FT B64 Steering Rack V2, aluminum

The Factory Team used this steering rack on the B64 at the 2017 I.F.M.A.R. world championships. Made of 7075 aluminum, this version 2 rack has optimized Ackermann and steering rate for a more consistent steering feel through the entire corner. *Fits RC10B64 Team, RC10B64D Team, and RC10B64 Club Racer.*

For best results, use with [#92034](#) B64 steering arms, [#92006](#) adjustable bellcrank input arm (using shortest position), and a 20mm servo horn ([#1367](#), [#1368](#), [#89007](#)).

#92034 FT B64 Steering Arms V2, graphite

The Team used these version 2 steering arms along with the [#92104](#) B64 steering rack V2 for optimized Ackermann and steering rate. *Fits RC10B64 Team, RC10B64D Team, and RC10B64 Club Racer.*
