

For Immediate Release: August 15, 2024

#40012C MT12+ Lux Monster Truck RTR

ELECTRIC ■ OFF ROAD ■ 1:12 SCALE ■ 4 WHEEL DRIVE ■ RTR

Get ready for heart-pounding excitement at a stadium near you with the MT12+ Lux 4x4 Monster Truck! Despite its compact size, this powerhouse is packed with state-of-the-art features that'll leave you breathless. Thanks to Reedy Power electronics, this beast comes fully equipped and Ready-To-Run straight out of the box. Say goodbye to tedious prep work and hello to instant adrenaline-fueled action!

Not just a looker, the MT12+ Lux 4x4 is built to dominate the arena with its realistic chrome wheels, chevron-style tires, and eye-catching pre-printed body. Its steel ladder frame chassis forms the sturdy foundation for epic car-crushing endeavors. With a 4-link suspension, threaded shocks, and grippy rubber tires, this monster truck is ready to conquer any terrain – be it soaring over cars or tearing through dirt and mud. And with its compact 3-gear transmission, low-friction slider-type drive shafts, steel CVA axles, and metal-shield ball bearings, this little giant delivers power and performance like no other. Get ready to experience the thrill of the MT12+ Lux 4x4 Monster Truck – where you'll only need the edge of your seat!

**INCLUDES CHARGER
AND BATTERY**

AA Batteries required
for transmitter (sold
separately).
