

For Immediate Release: July 17, 2023

New Factory Team Parts for the Reflex 14R

Strengthen your Reflex 14R rear end with these Factory Team steel rear axles and dogbones. Also, now you can tune your shocks with the fully assembled threaded shock bodies and collars. Each of the above packages contains one pair.

For the #20177 Reflex 14R Hoonicorn and #20178 Reflex 14R Hoonitruck.
