New! Reedy Charge Leads

Reedy's new charge leads are the ideal solution for enthusiasts that want to step up from the basic leads that are included with most chargers. Designed for Reedy's #27203 1416-C2L Dual AC/DC Competition Balance Charger and other chargers that accept 4mm bullets, these high-quality charge leads feature 12-gauge silicone wires of convenient 350mm length, and a selection of the most widely used plug options.

#27239 T-Plug 350mm Charge Lead, 4mm
