

For Immediate Release: October 26, 2020

NEW!  **Parts for the RC8T3.2 and RC8T3.2e**

#81474 RC8T3.2 FT Rear Suspension Arm Inserts, 1.2mm, carbon fiber

#81478 RC8T3.2 FT Front Lower Suspension Arm Inserts, 1.2mm, carbon fiber

#81482 RC8T3.2 FT Front Upper Suspension Arm Inserts, 1.2mm, carbon fiber

New from the Factory Team brand are optional carbon fiber inserts for the Team Associated RC8T3.2 suspension arms! These 1.2mm thick carbon fiber inserts replace the stock plastic inserts and offer improved stiffness and a clean Factory Team look.

When switching to the new carbon fiber inserts, it is recommended to use a shorter M3x6mm BHCS (#31531) for the two inner hinge pin locations and M3x6mm FHCS (#31541) for the others.

Fits: RC8T3.2 and T3.2e suspension arms #81472, 81476, and 81480.
