New! RC8B3 44/13 Gear Set

Back by popular demand, the RC8B3 44T ring gear and 13T pinion gear have returned as a combined packaged to include both gears as a set.

Used as a tuning option in RC8B3 V3 differentials, the 44/13 gearing has a lower gear ratio for more top end speed over the 42/12 gear set.

Fits these vehicles:

RC8B3, RC8B3e, RC8B3.1, RC8B3.1e, RC8B3.2, RC8B3.2e.
