#SP426 Team Associated Countertop/Setup Mat

#SP427 Reedy Countertop/Setup Mat

These 16" x 20" mats sport new designs and provide a protective surface for countertops and RC pit tables alike. Preventing stains from nitro fuel, shock oil, dirt and grime, these mats are a great way to protect the countertops in your shop while creating a factory look.

They also work great as RC pit table setup boards, providing a nice flat surface for pre-race checks of ride height, camber, and toe. Lightweight for easy travel to and from the racetrack.

Only available from RC10.com. Buy now!
