

For Immediate Release: December 2, 2019

New! AE Water Bottle
Available on RC10.com!

Other side shown

Carry your cold beverage in this 26oz. aluminum AE Water Bottle wherever you go. Attach it to your gear bag with the included carabiner.

The black background sets off the white #WeAreAE family of brand logos on one side and the original "slot car track" design AE logo on the other.
