

Spring Color Codes

Which color of spring do I choose to get a softer or stiffer spring? Use the spring color chart below to find out.

The color chart works when going vertically with the same wire diameter.

Going horizontally to a different wire diameter introduces complexity.

From softest to stiffest

| | |
|---|--------|
|  | Pink |
|  | Brown |
|  | Black |
|  | Green |
|  | White |
|  | Gray |
|  | Blue |
|  | Yellow |
|  | Red |
|  | Orange |
|  | Purple |
