

Team Associated and Reedy Exchange Program

updated May 7, 2019

Do you have lots of old RC electronics and gear lying around? You can send in your working or non-working speed control, motor, servo, charger or starter box **FROM Team Associated, REEDY or ANY other MANUFACTURER** and exchange it towards the purchase of brand-new replacement equipment.

- The item/s you send in do not have to function. (Cut wires, missing connectors, broken cases, or shorted out boards are OK!)
- All major components must be sent in. (Example: Servo must include, motor, circuit board, gears and case.) Damaged or otherwise is OK.
- You can exchange multiple items, like for like, servo for servo, ESC for ESC, motor for motors.

Exchange any ESC for any ESC listed in this Program.
